Subject: Invitation to attend Board of Oil, Gas and Mining hearing in Roosevelt, Utah

Dear Mr. Bingham:

The Board of Oil, Gas, and Mining is pleased to announce that it will hold its regularly scheduled hearing on Wednesday, September 22, 2010, at 8:00 a.m. in the Multipurpose Room at Uintah Basin Applied Technology College, 1100 East Lagoon Street, Roosevelt, Utah.

As you may know, the Board holds regular monthly administrative hearings to determine mineral and energy resources policy and regulatory issues. The seven-member Board has expertise in oil and gas, mining, royalty matters, environmental protection, and geology. This is an excellent opportunity for county and city officials, and citizens of surrounding communities, to learn more about the functions of the Board and participate in a discussion of the activities of the Division of Oil, Gas and Mining. Public participation is welcome. The Board Hearing draft agenda for September 22, 2010 is enclosed.

If you wish to join us at the hearing, please RSVP to Julie Ann Carter at (801) 538-5277. We look forward to seeing you there.

Sincerely,

John R. Baza
Director
